also referred to as “Users”,

collectively all also referred to as “Parties”.

Given that:

a. On _____ the Users, in their respective capacities, submitted to the school the Enrolment Request for the 2025/2026 school year relating to

to the student _____, born in _____, on _____, resident in _____, province _____, at Via _____,

CF: _____;

- b. In this circumstance, they committed themselves to signing a service contract;
- c. AND Users' interest in using the School's services for a specific period of time and under the conditions indicated below as well as in the following attachments which form an integral part of this document:
- (1) Application for registration dated _____;
 - (2) Internal regulations in force for the school year in which the student enrolls;
 - (3) Price list in force from 01/01/2025;

All the above being stated and considered, the parties agree as follows:

Article 1 - Legal value of the premises

1.1. The Premises form an integral and substantial part of this contract (the Contract).

Article 2 – Duration of the Contract

2.1. This Agreement is valid for the school year 2025/2026 from the time of enrollment until the end of the school year.

2.2. Any possibility of tacit renewal of the Contract is expressly excluded.

Article 3 – Description of services

3.1. The School undertakes to offer the Users and, for them, the student, the teaching service at the facility in Via San Filippo n.2 in Chieri (TO). The service also includes:

- liability and accident insurance;
- the heating;
- afternoon supervised study;
- the supply of teaching materials (excluding textbooks, electronic equipment and stationery).

3.3. Any additional or supplementary services that may be activated at the School during the school year, or any personalized services, may be agreed upon with the School Management and regulated on the basis of separate agreements to be considered supplementary to this contract.

3.4. By way of example, supplementary services such as courses, excursions, trips and anything else offered during the school year with optional attendance for members and with costs to be determined from time to time are excluded.

Article 4 – Price

4.1. Based on the price list referred to in the Introduction, the price (or straight line) total service cost is equal to **euro 4.800,00** determined by dividing the sum of the economic aspects of: registration fee: (€400.00 to be paid upon registration each year), course fee (€4000.00 per year), heating and services fee (€400.00 per year).

4.2. The price shall be paid as follows **(check the option):**

- in a single solution within five days of signing this contract.
- in two installments, the first expiring within five days of signing this contract, the second within January 30th.

Notes _____

- registration fee (€400.00) within five days of the signing of this contract, the following will follow ten installments of €400.00 with monthly expiry (from September to June inclusive, to be paid by the 6th of each month). In the months of November and February, the two installments relating to the heating and services fee must be paid (€200.00 + €200.00).

4.3. Regardless of the agreed payment methods, the fee is to be considered as a single fee and refers to the entire period of validity of the contract and as such is due regardless of the student's attendance of the facility even if due to just cause or illness. The fee is also due for the period of closure or suspension of the activities planned, normally, in conjunction with the holidays communicated by the regional school calendar and which will be communicated when planning the activities.

4.4. No discounts, rebates or refunds may be granted unless agreed in writing between the parties.

4.5. In the event of non-payment, in whole or in part, of the fees for the services, the Institute will also be entitled to obtain default interest in the amount indicated in art. 5 of Legislative Decree 231/2002 and subsequent amendments, for each day of delay.

4.6. In any case, the institute will be entitled to obtain payment for the services provided up to that point as well as compensation for damages suffered which is quantified from now on at 100.00 euros for each day of delayed fulfillment of the services which are the subject of the membership request.

4.7. In the event of repeated non-payment, the Institute will be entitled to demand, for the continuation of the relationship, advance payment of the remaining portion of the fee until the end of the contract and therefore cause the Users to lose the benefit of the term referred to in paragraph 4.2.

4.8. Unless otherwise indicated, the prices shown are inclusive of VAT.

4.9. Users acknowledge that failure to pay, even partially, for services:

- will entail the right, on the part of the school, not to provide all ancillary services and those not strictly included in the right to education;
- will constitute grounds for the school to refuse enrolment in any subsequent school years of the student who has guaranteed the right to study at one of the public schools present in the area.

Article 5 – Payment methods and invoicing

5.1. Payment must normally be made by bank transfer, check or other traceable instrument. Cash payments are permitted within the limits of the law in force at the time of payment.

5.2. With reference to the services under this contract, the Institute will issue an accounting document addressed to all parties or, upon express request, to only one of them. The issuance of invoices to third parties with respect to this contract is not permitted.

Article 6 – Solidarity of performance

6.1. Regardless of the formal heading of the accounting documents issued, all Users are jointly and severally liable for the obligations arising from this contract. In the event of non-fulfilment, the Institute may demand the entire amount from each user, except for any right of recourse that arises from internal relationships between the Users to which the Institute is to be considered external.

Article 7 - Regulation

7.1. By completing the Registration Form, Users have read the Regulations in force, a document which forms an integral part of the Contract.

7.2. The school reserves the right to modify, supplement, or update the Regulations by providing notice through a specific communication sent to the email address provided by the User at the time of signing this contract or by posting the notice on the bulletin board at the school's premises.

7.3. Changes communicated in this manner will be deemed accepted by the User unless they exercise their right to withdraw by sending a communication in the form specified in Article 9 – Communications – within 15 days of receiving the notice of modification, supplementation, or update of the Regulations.

Article 8 – Privacy

8.1. The School protects the privacy of Users and students and guarantees that data processing complies with the provisions of the legislation referred to in EU Reg. 679/2016.

8.2. The personal and fiscal data acquired directly and/or through third parties by **BLAISE PASCAL SRL**, the data controller, are collected and processed in paper, computer and telematic form, in relation to the processing methods and with the aim of activating the procedures for the execution of the Contract and the related necessary communications towards the User, in addition to the fulfillment of any legal obligations, as well as to allow effective management of commercial relationships to the extent necessary to best perform the requested service.

8.3. The personal data provided by the User will be recorded and stored on protected electronic media and processed with adequate security measures, including by associating and integrating them with other databases.

8.4. The School undertakes to treat the data of Users and students confidentially and not to reveal them to unauthorized persons, nor to use them for purposes other than those for which they were collected or to transmit them to third parties. Such data may be exhibited only upon request of the judicial authority or other authorities authorized by law.

8.5. Personal data will be communicated, where necessary, for the provision of the Services, to subjects delegated to carry out the activities necessary for the execution of the stipulated contract and communicated within the scope of this purpose.

8.6. Personal data, with the express consent of the User, may be used, in anonymous form, to carry out statistical analyses, market research and send commercial information on the products and promotional initiatives of the school.

8.7. For further details, please refer to the privacy policy available on the website www.istitutopascalchieri.it

8.8. The owner of the collection and processing of personal data is **BLAISE PASCAL SRL**, to which Users may address any requests at the company headquarters.

Article 9 – Communications

9.1 Unless otherwise specified, communications between the School and Users will be made via:

- Spaggiari Electronic Register – Classeviva
- Google online platform - Classroom
- emails and messages
- PEC

Article 10 – Dispute resolution and applicable law

10.1. For any dispute, the competent authority is the Turin forum.

10.2. The Contract is governed by Italian law.

10.3. In case of any discrepancy or dispute regarding the interpretation of this Contract, the Italian version shall prevail over any translations.

Article 11. – Final provisions

11.1. Users acknowledge that the fees referred to in the Contract are subject to VAT in accordance with the provisions of the law and that the Contract, unless expressly indicated, is not subject to registration (except in the case of use).

11.2. All charges relating to this contract, including those of a fiscal nature, are the responsibility of the Users.
